STATINTL

Dear Mr. [REDACTED]

STATINTL

Reference your memorandum dated May 28, 1980, requesting a waiver to the provisions of DoD Directive 5210.48 to permit polygraph examination of [REDACTED]

STATINTL

This office has reviewed the above-cited request and considers that the nature of [REDACTED] proposed association with the Agency, in terms of both length of time and extent of access, does not warrant granting a waiver in this case. The DoD position in this instance is consistent with the position indicated in the Assistant Secretary of Defense (Comptroller) memorandum of December 19, 1977, referred to in your memorandum, which is that polygraph examinations of DoD personnel are not appropriate when such personnel will have only an occasional or limited working relationship with the CIA.

Sincerely,

Thomas J. O'Brien
Director
Security Plans and Programs
